EXAMINER'S AMENDMENT

The following is an examiner's statement of reasons for allowance: none of the prior art of record discloses or teaches a bushing being moveable from a first position in which a collar of the bushing is remote from the annular gap, to a second position in which said collar is wedged into said annular gap, deforming therein so as to squeeze the braided shield and the jacket of the cable and thereby tightly hold the cable and seal it to the connector, in combination with the rest of the subject matter of the independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
